Terms And Conditions

THE SECURITY STATE BANK ONLINE BANKING SERVICES AGREEMENT

INTRODUCTION

This online Banking Services Agreement ("Online Banking Agreement") explains the terms and conditions governing the Online Banking Services offered through The Security State Bank. You should read this Online Banking Agreement and the related information provided by the Bank prior to using Online Banking. By using the Online Banking Services, you agree to abide by the terms and conditions of this Online Banking Agreement. The terms "we," "us," "our," and "Bank," refer to The Security State Bank. The words "you," "your," "yours," mean each deposit account owner. By enrolling to the Service or using the Service to access Account information you agree to the terms of this Agreement. Your use of any new Services that are made available shall indicate your acceptance of any terms and conditions that we communicate to you concerning the Services. Access to Account information, transfers between Accounts, and payments on loans drawn on or debited against your Accounts, are referred to as "Transactions".

"Account(s)" mean the Checking, Money Market, Savings or other Accounts owned by you and designated by you for access through the Service. In our sole discretion, we may refuse to include, or may exclude from continued use, an Account in the Service.

"Banking Day" means that part of any Business Day on which we are open to the public for carrying on substantially all of our banking functions.

"Business Days" are Monday through Friday, except federal holidays. You can use the Service 24 hours, 7 days a week, except during maintenance periods; however, we only process transactions on Business Days. Transaction processing is subject to our cutoff times as noted in literature at Bank locations during establishment of the Service. Cutoff times may change from time-to-time.

ACCESSING YOUR BANK ACCOUNTS THROUGH ONLINE BANKING

You can access your The Security State Bank accounts through Online Banking. On eligible accounts, you can view balances, view transaction history, and transfer funds between accounts including loan payments from your deposit account. You may transfer amounts up to the available balance in your account, however the number of transfers from a Savings Account and Money Market Investment account is limited as described in the applicable Terms & Conditions.
